Gentlemen:

We refer to the letter of the Philippine Stock Exchange dated September 10, 2013 which requested us to clarify and/or confirm the information contained in the news article entitled “3 developers keen on Taguig property” which was posted in Manila Standard Today (Internet Edition) on September 10, 2013. The article reported in part that:

“Filinvest Land Inc., Robinsons Land Corp. and R-II Builders Inc. have expressed interest to bid for the development of the 5.2-hectare prime property of state-owned Bases Conversion and Development Authority along the C-5 road in Taguig City.

BCDA president Arnel Paciano Casanova said the three companies purchased the terms of reference for the long-term lease and development of the Pamayanang Diego Silang commercial lots in Barangay Ususan, Taguig.

....

We confirm that Robinsons Land Corporation (RLC) has obtained a copy of the terms of reference as stated in the above-quoted article. It is usual for RLC, in the ordinary course of its business, to explore the possibility of acquiring and developing additional properties and assets.

Thank you.

Very truly yours,

ROSALINDA F. RIVERA
Corporate Secretary
